

A denim collection designed for everyday wear by:

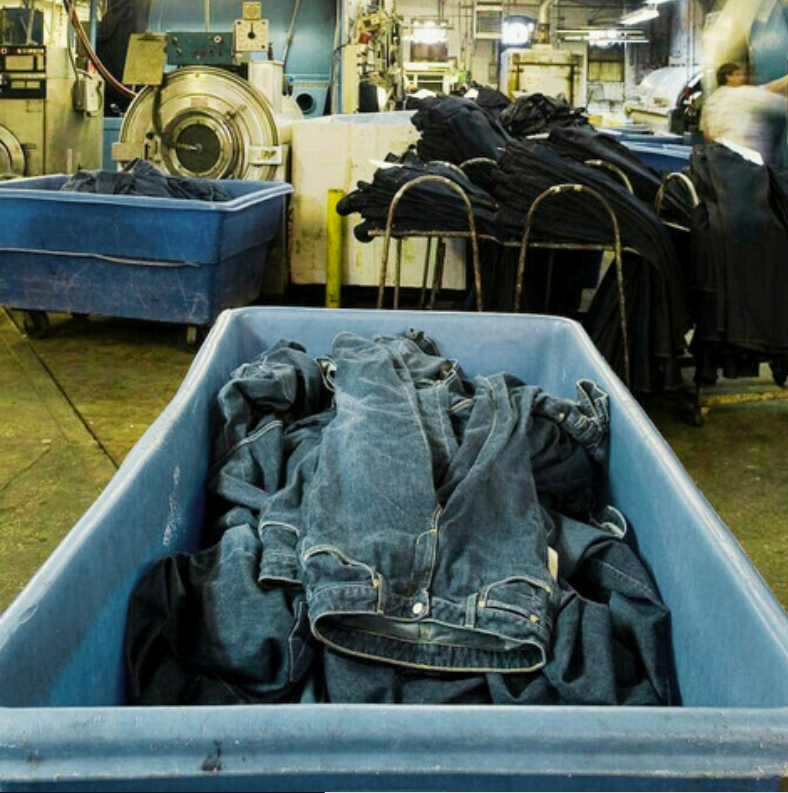

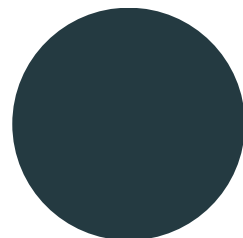

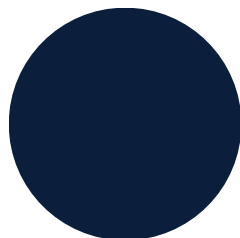

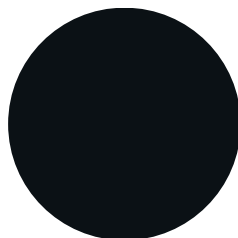

ABOUT THREE JEAN

Three Jeans is a denim focused company that designs and produces jeans from scratch, from fabric selection to final fit.

THREE
JEAN

SPECIAL FEATURES

Stretch denim

Soft, flexible denim that moves with the body and stays comfortable all day

DENIM

Sustainable fabrics

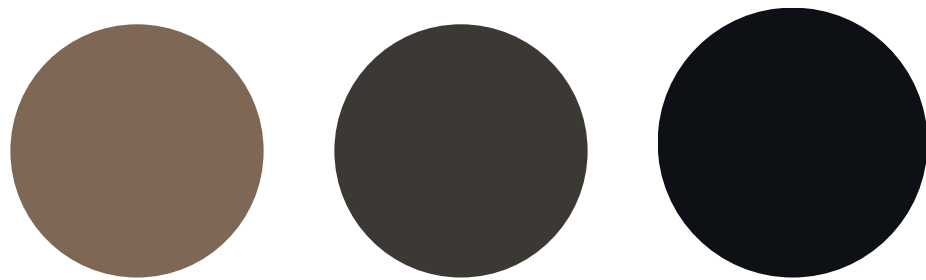

Made with lower-impact materials and washes, focusing on reducing water use and creating denim that lasts longer.

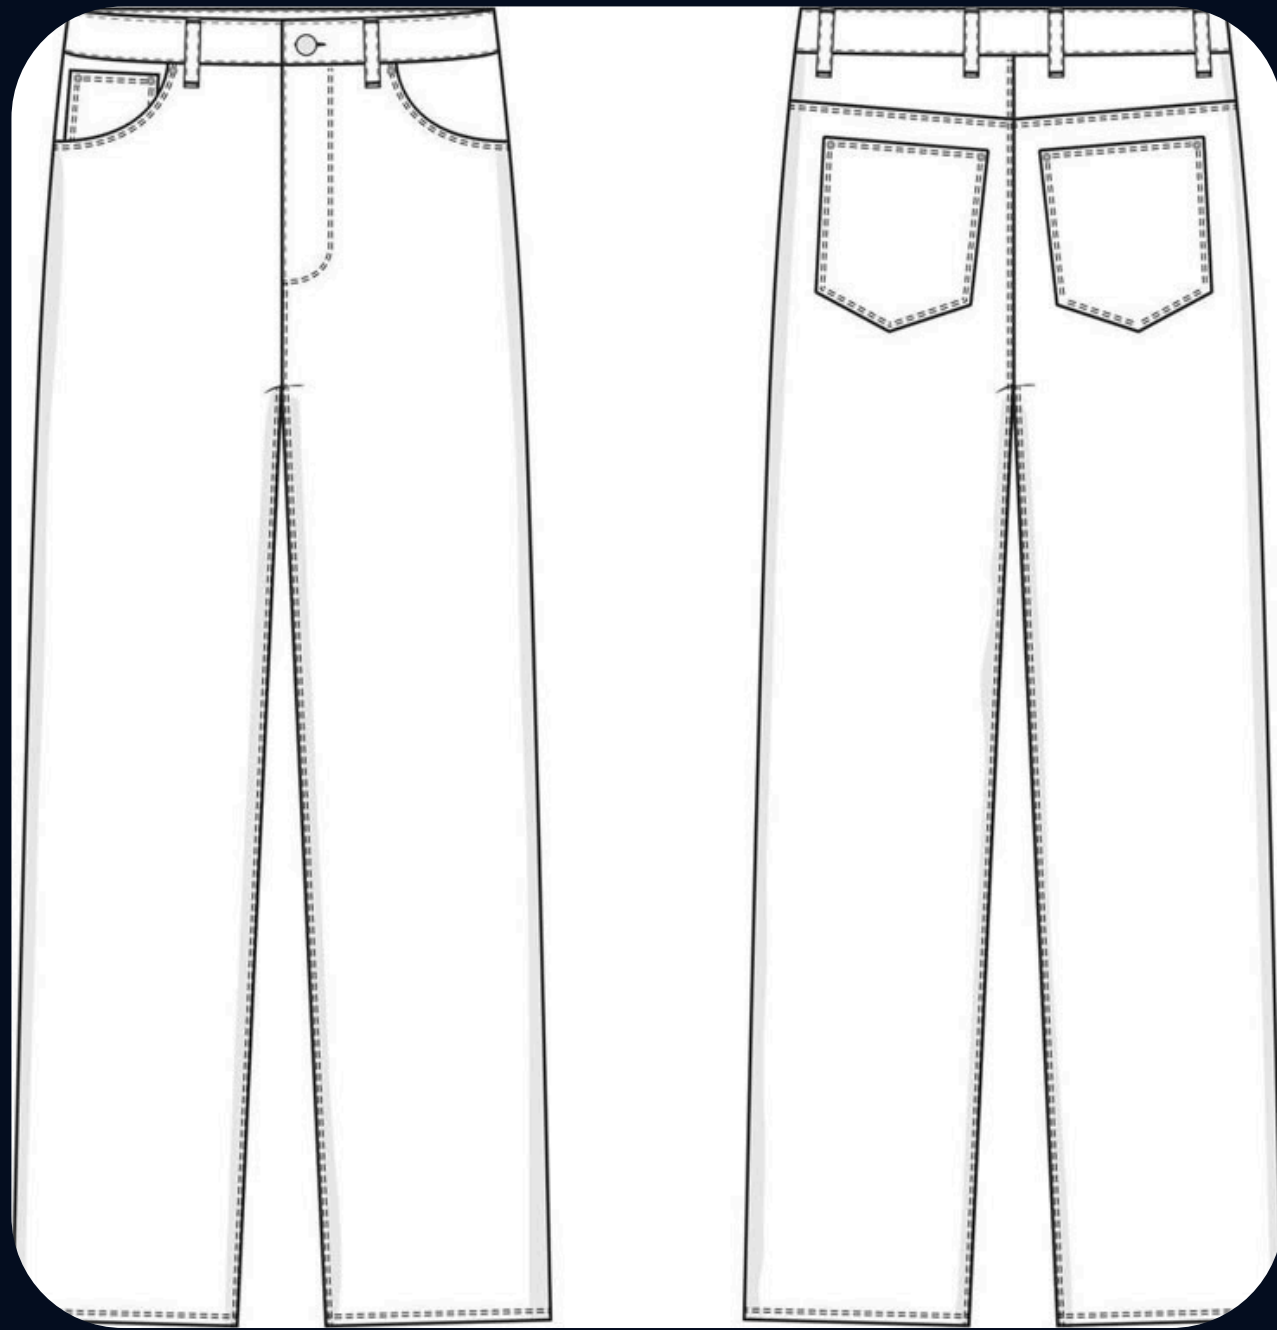

Custom washes

Signature blue washes developed for this collection, from light and clean to deeper tones that age beautifully over time.

STORE EXPERIENCE
